Statement of demands and needs

Based upon the information you have provided; this product will satisfy the needs of someone who requires breakdown assistance for the cover selected as confirmed in your Insurance Product Information Document (IPID).

What to do if You Breakdown

If You are unfortunate enough to Breakdown, please follow these simple steps.

1. Call the appropriate number stated in the table below.
2. Have to hand Your Policy number and Vehicle registration.
3. Advise the operator of the location of Your Vehicle and the nature of the fault.

RAC will then advise how to proceed and what form of assistance would be the most appropriate.

Remember to always call RAC first. Please do not go ahead and make Your own arrangements as RAC cannot reimburse costs incurred without prior authorisation.

Calls may be recorded and/or monitored. Customers with hearing difficulties can contact RAC using a Text Phone and prefix the relevant number with 18001 to be connected to Typetalk or use the SMS facilities on 07855 828282. These services are not available outside of the United Kingdom.

Breakdowns on motorways

On continental motorways (including service areas) You MUST use the Roadside emergency telephones. You cannot call RAC control centres from these. You will be connected to the police or authorised motorway service, who will send a Breakdown recovery vehicle. However, this will only be to the recovery company's own depot if they cannot fix Your Vehicle – contact RAC using the numbers above as soon as You can, if possible from the recovery company's depot.

You may have to pay labour and towing charges on the spot – an authorised tariff is normally applicable. You should obtain a receipt to claim a refund on Your return Home.

Mobiles and car phones

RAC will not reimburse the cost of any telephone calls You make in connection with any Breakdown under this Policy (including mobile phone calls).

It may not be possible for an RAC control centre to call a mobile or car phone but when it is, You may still have to pay the cost of any international call. Some service providers charge for calls to freephone numbers. The regulations on the use of mobile and car phones vary from country to country. Please check with Your service provider that Your phone meets the requirements and standards for the countries in which You are travelling.

Services provided

Service in the UK

Cover applies to Vehicles registered with the relevant Vehicle Licensing Agency only.

Roadside

If You are stranded on a public highway (or other road or area to which the public has the right of access) as a result of a Breakdown to Your Vehicle, We will send an RAC patrol or contractor to help You.

We will try to repair Your Vehicle at the roadside. Roadside includes labour at the scene of the Breakdown (but not labour at any garage to which the Vehicle is taken).

If We cannot repair the Vehicle at the roadside, and We believe repairs are unwise or cannot be completed within a reasonable time, We will take the Vehicle and up to 8 people to a destination of Your choice within 10 miles of the scene of the Breakdown. If You have no preferred destination, We will take the Vehicle to a nearby garage. If You wish the Vehicle to be taken to any other destination, You will have to pay for the towage costs for the whole distance.

If You need to leave Your Vehicle at the garage We will reimburse You for taxi fares up to 20 miles (a receipt must be obtained).

Roadside does not cover:

1. Breakdowns which would be prevented by routine servicing of Your Vehicle
2. Routine servicing of the Vehicle
3. Replacing tyres or windows
4. Any labour other than that incurred at the roadside including, without limitation, garages.
5. Missing or broken keys. We will try to arrange the services of a locksmith but You will have to pay for them
6. The cost of ferry crossings, road toll and congestion charges
7. Vehicles being demonstrated or delivered by motor traders, or used under trade plates

8. Vehicles, which in the reasonable opinion of Our patrol or contractor, had broken down or were unroadworthy before You took out Your Policy
9. Vehicles which break down within 1/4 mile of Your Home address or where You normally keep the Vehicle
10. Contaminated fuel problems. We will arrange for Your Vehicle to be taken to a local garage for assistance, but You will have to pay for the work carried out
11. The cost of parts, fuel or other supplies
12. Any Vehicle storage charges incurred when You are using Our services
13. Breakdown caused by or following an Accident, fire, theft or act of vandalism. If You call Us for assistance following such an incident You will be liable to pay Us for removal. (Subject to the terms of Your insurance Policy, You can then reclaim these costs through Your insurance)
14. The tow or transport of any Vehicle, which, in Our reasonable opinion, is loaded beyond its legal limit
15. Any Vehicle in a position where We cannot work on it or tow it, or wheels have been removed, We can arrange to rectify this but You will have to pay the costs involved
16. Any animals in Your Vehicle, please note that their onward transportation is at Our discretion and solely at Your risk. We will not insure any animal, including livestock in transit, during any onward transportation We undertake.

Recovery

Recovery has the same terms and conditions as Roadside but with the following variations.

If We cannot get Your Vehicle repaired locally within what We deem to be a reasonable time, We will take the Vehicle and up to 8 people Home or to a single address anywhere else within the UK. If there are more than 5 people this may require two separate Vehicles. An adult must accompany any persons under the age of 16.

You can use Recovery if You are ill, and there are no passengers who can drive the Vehicle, so that You cannot continue Your trip. You must show Us a doctor's medical certificate confirming Your inability to drive (in these cases, We will provide this service as We see fit).

Residents of Northern Ireland are also entitled to be recovered from the Republic of Ireland.

Recovery does not cover:

1. Any Vehicle which in Our reasonable opinion was broken down or unroadworthy at the time You took out Your Policy.
2. The use of Recovery as a way to avoid paying repair costs.
3. A second Recovery if:
 - a) the original fault has not been repaired properly by a party other than RAC;
 - b) RAC have advised You that it is a temporary repair; or

- c) the desired destination cannot accept the Vehicle due to company opening hours or other restrictions.
4. If a second Recovery is required this service can be provided but a charge will be made dependent on the service required, time of day and distance. These charges will be payable by credit/debit card prior to the relevant service being provided.
 5. Service within 24 hours of commencement of this Policy.

At Home

At Home has the same terms and conditions as Roadside but with the following variations.

At Home allows You to use Roadside within 1/4 mile of Your Home address or where You normally keep the Vehicle.

At Home does not cover:

1. The rectifying of failed or attempted repairs.
2. The reimbursement of taxi fares.
3. Service within 24 hours of commencement of this Policy .
4. Recovery of the Vehicle.

Onward Travel

Onward Travel benefits must be arranged at the time of Breakdown and cannot be requested later.

You are entitled to one of the following extra benefits once We have decided that We cannot get the Vehicle repaired locally.

- Replacement car hire.
- Alternative transport costs.
- Hotel accommodation.

You can use the Onward Travel benefits from Your Home address or within 1/4 mile of Your Home address. This excludes incidents where We have been called to rectify failed repairs.

Replacement car hire

We will pay for:

1. Up to two day's hire cost of a manual car of similar cubic capacity to Your Vehicle up to 1600cc if your Vehicle is being repaired.
2. Insurance (including Collision Damage Waiver).

Replacement car hire is subject to availability and Our supplier's terms and conditions, which will usually include:

1. Age limits. Drivers must be at least 21 years of age.
2. The need to have a current driving licence, and, if held, a driving licence photo card, with You.
3. Limits on acceptable types or numbers of motoring offence penalties and/or penalty points endorsed on Your driving licence.

4. The need to provide a valid credit card number (Alternatively, the car rental provider will require a deposit of no less than £50 and may also undertake a simple credit check, before releasing the Vehicle to You).

Hire cars are not usually available with a tow bar, and therefore Your caravan or trailer will, if eligible, be recovered under Recovery with Your broken down Vehicle.

After taking a fair and reasonable view of the circumstances, we may decide that a hire car is not a practicable solution, and hotel accommodation or alternative transport will be provided instead.

If You require a second or any other type of vehicle We will try to arrange this for You, You will have to pay for any additional costs.

Alternative transport

We will reimburse You for standard class rail or other transport of Our choice for up to 8 people to reach the end of their journey within the UK. We will pay up to £150 a person or £500 for a group whichever is less.

Hotel accommodation

We will arrange and reimburse You for one night's bed and breakfast for up to 8 people in a hotel of Our choice.

We will pay up to £150 a person or £500 for each Party whichever is less. You will have to pay for any extra hotel or transport costs.

Special medical assistance

Onward Travel also provides special medical assistance. If You or one of Your passengers is taken into hospital more than 20 miles from Home We will arrange and pay for overnight accommodation for the other passengers, as described in "Hotel accommodation" above.

We will also arrange for an ambulance to take the patient to a local hospital near to their Home once medical permission has been given. Special medical assistance is not available for planned hospital visits.

What is not covered.

1. Other charges arising from Your use of the hire car, such as fuel costs, deposit, any insurance excess charges, collecting and returning the vehicle and any costs due to You keeping the car after the agreed period of hire (You must settle these charges directly with the supplier).
2. A second use of the Onward Travel benefits if the original fault has not been properly repaired by a third party other than RAC or if We have advised You that it is a temporary repair.
3. If You are unfortunate enough to have an incident with the hire vehicle and You make an insurance claim, You will be responsible for paying any excess.
4. Service within 24 hours of commencement of this Policy.
5. Any of the Onward Travel benefits, as stated above, before Our attendance of the Breakdown incident.

6. Any of the Onward Travel benefits, as stated above, if the vehicle is not displaying a valid excise licence.

European Motoring Assistance

European cover applies to Vehicles registered with the relevant Vehicle Licensing Agency and operates throughout the Territory as defined on Page 2.

Service in the UK en route to Europe

1. Attendance of local Breakdown or garage services to repair the Vehicle at the Roadside if possible; or
2. Tow of the Vehicle from the place of Breakdown or Accident to the nearest local repairer where You may arrange repairs and either:
 - a) a contribution towards labour charges at a garage (restricted up to the total claims limit) if it is possible to effect the repairs necessary to enable the Vehicle to continue the journey on the date of Breakdown; or
 - b) inspection fees, in the event of a Breakdown, to confirm that the Vehicle cannot be repaired by Your return travel date and Your request for assistance will include authorisation for Us to arrange this; and
3. Storage charges for the Vehicle while awaiting repair or repatriation
4. The cost of wheel changes but not for replacement tyres.

We will not pay for:

1. Any labour costs other than those incurred at the roadside. We will not pay labour costs at any garage to which the Vehicle is taken other than under paragraph numbered 2 above; or
2. Repair costs, including labour, if the Vehicle was in a road traffic Accident, damaged by fire or stolen or is, in Our reasonable opinion, uneconomical to repair; or

4. The cost of any repairs not directly necessary to enable the Vehicle to continue the journey on the date of the Breakdown; or
5. The cost of any other supplies, including but not limited to Specialist Equipment.

a) Additional accommodation expenses

We will pay up to £30 per person per day towards necessary additional (not alternative) accommodation expenses (room only) while You wait for Your Vehicle.

We will not pay for the costs of meals and any other costs that are not specified above.

RAC will in its sole discretion decide which course of action to adopt, but RAC will take into consideration Your preference.

You must collect the Vehicle when repaired as once the Vehicle is repaired and You have been notified, RAC will not pay any further expenses other than the costs of collection.

This benefit is also available if Your Vehicle is stolen and not recovered within 24 hours of reporting the matter to the police. A police report must be obtained. However, this benefit will cease if Your Vehicle is recovered in a roadworthy condition.

We will not pay for:

1. Fuel, oil, personal insurance, any collection charge if a hire car is left at a different

location to that arranged or any other costs in connection with self-drive hire car

2. The cost of any car hire beyond the period agreed with the appropriate RAC control centre
3. Any car hire expenses after Your Vehicle is repaired except for the direct journey to return and collect it

6. International drop charges where a Vehicle hired from abroad is dropped within the UK
7. The costs of hiring a motorcycle
8. Any hire costs not arranged through RAC or agreed by RAC.

You will have the following cover if RAC can confirm that repairs cannot be completed by your planned return date to the United Kingdom and providing the cost of repatriation is not uneconomical. (Repatriation will be uneconomical if it will cost more than the UK market value of Your Vehicle according to Glass's guide or other appropriate industry standard used by RAC.)

Cover is available for either:

a) Vehicle repatriation

We will pay for the cost of taking the Vehicle by road transporter from abroad to Your Home or chosen UK repairer for repair.

We will also pay the costs of packing and freighting Your baggage if the Vehicle is declared a "Write-off" by the Vehicle's insurers.

When repatriation is authorised it normally takes 10-14 working days for delivery to a UK address from most west European countries. At busy times and from east European countries it may take longer.

If the Vehicle has been fitted with a roof box or bicycle rack, You must remove and place it inside the Vehicle. The roof box keys need to be left with Your Vehicle keys.

We will not pay for:

1. Claims for any repatriation not authorised by the appropriate RAC control centre
2. The cost of repatriation if this is uneconomical. Repatriation will be uneconomical if it will cost more than the UK market value of Your Vehicle according to Glass's guide or other appropriate industry standard used by RAC.
3. The cost of repatriation if Your Vehicle is roadworthy
4. Any Claim if Your Vehicle is being repatriated and Customs in any country find its contents are breaking the law
5. Any further costs in connection with the Vehicle once declared a write-off by Us.

Or

b) Collection of Vehicle from Abroad

We will pay the following costs up to £600 for one person to collect Your Vehicle, repaired abroad after a Breakdown:

1. Standard/second class rail fare plus other public transport fares which are necessary to reach the place of collection.
2. Additional homeward cross channel ferry or rail fare for the repaired Vehicle (calculated by taking the actual fare less the value of any unused homeward portion of Your original cross channel ticket).
3. Up to £30 per night for single room hotel accommodation necessary to complete the round trip (limited to room only).

We will not pay for:

1. First class rail fares
2. The cost of any meals
3. The costs of more than one person.

Note: The appropriate RAC control centre will, after taking a fair and reasonable view, decide whether Your Vehicle should be repaired abroad for You (or someone nominated by You) to return and collect.

Authority for repatriation or repair

If Your Vehicle is not able to be driven due to a road traffic Accident, fire, break-in or theft, any damage which You are entitled to have repaired by Your motor insurers must be reported to them immediately. Your insurers must decide whether to declare the Vehicle is a write-off, authorise repair abroad or have the Vehicle repatriated. We cannot repatriate the Vehicle unless Your insurers first give their permission.

We also reserve the right to negotiate with them to reclaim costs incurred. If Your insurers cannot or do not give permission to repatriate then it is Our decision alone whether to declare the Vehicle a write-off, or repatriate or repair locally a Vehicle which cannot be driven as a result of a Breakdown, or as a result of a road traffic Accident, fire or theft, for which You do not have fully comprehensive cover.

Additional services

We will pay for the costs of providing the following if applicable.

Vehicle break-in, emergency repairs

We will pay:

1. The cost of immediate emergency repairs, up to £175, necessary to make Your Vehicle secure in the event of damage to window, locks or windscreen caused solely by forcible entry, or attempted forcible entry provided You report the matter to the police either before contacting Us or within 24 hours of contacting Us, and You have obtained a written report from the police.

We will not pay for:

1. The cost of repairs if they are not to make Your Vehicle secure and for the reasons stated
2. Any repair costs if You do not obtain a police report and submit it with Your Claim
3. Repatriation benefits as described under the section entitled 'Vehicle repatriation'.

Spare parts dispatch

If as a result of a Breakdown Your Vehicle needs parts but these are unavailable locally

We will pay for:

1. Freight, handling and ancillary charges for dispatch of spare parts not obtainable locally
2. The fare for one person to collect parts from the appropriate railway station or airport.

We will not pay for:

1. The cost of parts themselves, which must be paid on receipt. When telephoning the RAC control centre You will be asked for Your credit card details. Alternatively, You will be asked to pay for the part(s) direct to the repairer.

Accidental damage to or loss of tent

We will pay:

1. A contribution to accommodation expenses of up to £35 per person per day if during the Period of Cover You are camping and Your tent is damaged accidentally making it unusable, or it is stolen. Alternatively, We may at Our option authorise the cost of a replacement tent. If Your tent is stolen You must report the theft to the police within 24 hours and obtain a written report.

We will not pay for:

1. The cost of meals or any other costs that are not specified above.
2. Damage caused by weather conditions
3. The cost of a replacement tent not authorised by Us
4. Any costs if Your tent was stolen and You do not report the theft to the police within 24 hours and obtain a written report.

2. More than one Claim per journey abroad.

Customs claims indemnity

We will pay for continental or Irish Customs Claims for duty if:

1. The Vehicle is beyond economic repair as a result of fire or theft abroad during the journey and it has to be disposed of abroad under Customs supervision; or
2. It is stolen abroad during the journey and not recovered. RAC will deal with necessary Customs formalities.

To arrange, please call: RAC European Support, 0870 549 3320 Monday to Friday 9am-5pm.

We will not pay any import duties not relating to the Vehicle.

European Claims procedure and conditions

When providing assistance We make every effort to meet on Your behalf all costs within the limits set out in this document. However, in some instances You may be asked to pay locally and reclaim costs on Your return to the United Kingdom. There may also be occasions when You arrange and pay for assistance direct and wish to reclaim the cost.

RAC European claims are handled by:

RAC Customer Care,
RAC Motoring Services,
RAC House,
PO Box 200,
Walsall,
WS5 4QZ.

If You have paid any cost which You believe is covered under Your Policy, please telephone Us for a claim form immediately on Your return Home, quoting Your Policy reference and Vehicle registration number. When returning Your completed claim form You should enclose relevant original receipts (not photocopies).

If You have any enquiries relating to repatriations or Claims associated with Our European Service, please contact Us on 0870 549 3320 or email: breakdowncustomercare@rac.co.uk.

Payment of Claims depends on You complying with the following conditions for all of Your Policy.

1. You must keep all relevant original receipts (not photocopies) as they will be needed for any Claim. We may refuse to pay expenses You are Claiming back if You cannot provide original receipts or bills for the items You have paid.
2. You must make any Claim on an RAC claim form, please bring Your Claim to Our attention as soon as You can (if possible within 28 days) after You return to the United Kingdom. Claims which are not on an RAC claim form will not be accepted. This does not affect Your statutory rights to take legal action in or exercise any other legal remedy.
3. If We pay out money for You under Your Policy We can take over Your right to get that money back. You must cooperate with Us as much as possible if requested by Us.

4. You must do all You can to prevent Accident, injury, loss or damage, as if You were not covered under Your Policy.
5. You must forward to Us any writ, summons, legal document or other communication about the Claim as soon as You receive them.
6. You must obtain any original receipts, certificates, police reports, evidence, etc and give all the information and help We may need at Your expense. This includes medical certificates and details of Your household insurance if necessary.
7. You must not admit liability or offer or promise payment without Our written permission.
8. You must, within 7 days of any request from Us, send to Us copies of any European Accident statements (called a "Constat d'amiable" in France) and/or any police reports should You use the Policy following a road traffic incident.

Policy Requirements and Limitations

Service in the UK and Abroad

Credit card details

We will require Your credit card details if We arrange a service for You which is not covered by Your Policy or if it exceeds the Policy limits set out in the part entitled "Policy Description". If You do not provide Us with Your credit card details RAC will not be able to provide certain services which will be notified to You when credit card details are requested.

Motorcycles

The Policy covers motorcycles on the same basis as other eligible Vehicles. However, it is not possible for Us to hire a motorcycle if a replacement Vehicle is required. A hire car or alternative transport will be arranged, whichever is most suitable. We are also unable to hire a trailer for You to transport Your motorcycle.

Caravans and trailers

The Vehicle restrictions in this Policy apply equally to caravans and trailers except that the maximum length of trailers and/or caravans must not exceed 7.6 metres. If the Vehicle which has suffered a Breakdown is towing a caravan or trailer and We provide recovery, the caravan or trailer will be recovered together with the vehicle to a single destination. Other than as set out in this paragraph caravans and trailers are not covered by this Policy.

We do Our best to find solutions to motoring problems, but We regret We cannot arrange a replacement caravan or trailer in the event of Breakdown or Accident damage which cannot be repaired. It is also virtually impossible to hire vehicles with tow bars and it may become necessary to repatriate a caravan or trailer together with a towing Vehicle which cannot be repaired abroad by the return date.

Unforeseeable losses or events

Except in relation to any claim You may have for death or personal injury, if We are in breach of the arrangements under this contract, We will not be liable for any losses or damages which are not a reasonably foreseeable result of any such breach, for

example, loss of profit, loss of revenue or anticipated savings, loss of contracts, or for any business losses.

We do not guarantee the provision of any of the benefits under Your Policy, if there is anything beyond Our reasonable control or the reasonable control of any service provider which prevents Us or a service provider from providing that benefit. Benefits may be refused if You or any of Your Party behaves in a threatening or abusive way to any persons providing service under this Policy.

Taxi bookings

In some circumstances it can be quicker and easier for You to arrange a taxi. We may ask You to make Your own arrangements for taxi service. If so please send Your receipts to Us and We will reimburse You.

Vehicle condition

Your Vehicle must be roadworthy and in good mechanical condition when You apply for cover and You must keep it in that condition.

Fraud

If any Claim is found to be fraudulent in any way Your Policy will be cancelled immediately and all claims forfeited.

Service in the UK only

Battery related faults

For battery related faults Your Policy entitlements are as follows:

1. RAC's initial attendance for a battery related fault is included in Your Policy's entitlement.
2. The fitting of any parts or batteries purchased by You prior to our attendance is not covered. This is to ensure that parts are fitted from reputable sources in order to avoid secondary callouts.
3. RAC will test Your battery at that initial Breakdown attendance. If the battery is no longer serviceable and so fails the test You will be advised to replace it.
4. If a condemned (non serviceable) battery is not replaced, We may provide further assistance to a battery related fault but in this case a separate charge will apply. The charge will be payable by credit or debit card before assistance can be arranged.

Service abroad only

Motor insurance

RAC European cover is not motor vehicle insurance. We strongly recommend You tell Your motor insurers before taking Your Vehicle abroad. If You do not, Your motor insurance Policy will only cover You for damage You might cause to other people or their property (third party cover). This means that You will not be covered for any loss or damage to Your Vehicle. Your insurers will also need to know if You are towing a caravan or trailer.

Service providers

Unless the services are provided by RAC patrols or contractors acting on Our instructions and on Our behalf, We do not give any guarantee as to the services provided by garages, breakdown/recovery companies, repairers, car hire companies and other third party service providers whose emergency services We arrange on your behalf and/or pay for under European Motoring Assistance - they do not act as Our agents or subcontractors and We do not accept responsibility for their acts or omissions. You should check that any repairs to Your Vehicle are carried out to Your reasonable satisfaction.

Availability of service in eastern Europe

Every effort is made by RAC to make sure that a good quality service is provided in eastern European countries but this may not necessarily be to the same standards as in western Europe. The situation varies from country to country but time delays may occur, telephones are sometimes not available, garage facilities may be inadequate, spare parts are often not available, etc.

Service in certain countries may become disrupted or unavailable due to prevailing political, economic, infrastructural or environmental conditions, for which RAC cannot accept responsibility. Information can be obtained from the Foreign & Commonwealth Office – www.gov.uk/foreign-travel-advice.

Important self-drive hire car information

We will normally try to arrange a hire car similar in seating capacity and volume to, but not necessarily the same as, Your Vehicle, if there is one available. If You were travelling in an MPV or similar Vehicle We may arrange two hire cars.

We will only arrange this if there are two qualified drivers in Your Party. Otherwise, We will arrange alternative means of transport.

Self-drive car hire arranged under Your Policy will be subject to the normal conditions of the hiring company. These will include limitations on driver age, driving convictions and other licence penalties, etc. The driver must also have held a full UK driving licence or equivalent for a minimum of 1 year (2 years for France).

Your credit card details will also be required as security for the hire and to cover extras such as top-up of the fuel tank when returning the Vehicle. Car hire companies insist on having credit card details at the time of booking and the card must be produced at the time of hiring the car. The name on the credit card and the name of the driver of the hire vehicle must be the same. Switch cards and debit cards are not acceptable. If You leave a hire car at a different location to the one arranged by the RAC control centre You must pay any collection charge which may be made.

Please note that many car hire companies across Europe charge a damage excess which is not covered by the collision damage waiver (CDW). This means that if the car is damaged during the hire period You could be liable for the equivalent of the first £150-£550 (approximately) and have Your credit card charged.

In some cases the amount could be higher and varies according to hire company, category of hire car and location. The CDW covers the amount above the excess.

In some parts of Europe hire cars are not allowed to cross national borders. In Greece and eastern Europe international drop-offs are not permitted. It may be necessary therefore to arrange two hires or alternative transport to complete Your journey. A car hired abroad must not be brought into the United Kingdom.

A second car hire will be arranged for the United Kingdom part of Your journey.

We cannot guarantee a hire car will be available.

We cannot arrange the hire of motorised caravans, motorcycles, convertibles or Vehicles with tow bar, roof rack, roof boxes, automatic gearbox, sports cars, 4x4 or luxury class Vehicles and cannot guarantee the hire of minibuses or vans.

We will not be responsible for any delays in obtaining a hired vehicle and cannot guarantee to provide it in time to connect with Your pre-booked ferry, etc. You may have to collect a hired vehicle from the nearest available place of supply.

Special requirements for Vehicles with over 9 seats

The supply of minibuses as a replacement Vehicle can often prove difficult. When one is available the following regulations apply:

Drivers must be at least 21 years old and have a full year's car driving experience. Special documents and tachographs are mandatory throughout the EU. For more information contact Your local Department of Transport Area Office for details.

Repayment of credit

You must pay back to Us on demand:

1. Any costs We have paid for which You are not covered under Your Policy
2. The cost of any spare parts supplied.

Spares dispatch

After You have asked the appropriate RAC control centre to dispatch parts You are responsible for paying for them in full, even if You later obtain them locally.

We will arrange to dispatch parts as quickly as possible but delays will occur at weekends and bank holidays. We will not be responsible for manufacturers' or suppliers' errors, loss or damage of parts in transit or any delay in delivery.
