Breakdown or is involved in a road traffic collision on a motorway in France or Mainland Europe

Motorways in France and many other European countries are privately managed. If the vehicle breaks down or is involved in a road traffic collision on a French motorway, motorway service area, or other European private motorway, you must use the roadside emergency telephones as we cannot send assistance. If the vehicle is recovered by the police or authorised motorway services, you may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

We will reimburse these charges as long as the vehicle is towed to the recovery company's depot. This may also apply to other roads, so we recommend you use the emergency phones where available. If they will not send a breakdown recovery vehicle, you should contact us.

 - d) **breakdowns** resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events;
 - e) **breakdowns** that occur off the public highway to which the driver or we have no legal access;
 - f) the **vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
 - g) **vehicles** that are not in a roadworthy condition. If we consider, acting reasonably, that the **vehicle** is not in a legal or roadworthy condition, we can refuse to provide service. If you can demonstrate that the **vehicle** is roadworthy we will provide service;
 - h) any claim that is or may be affected by the influence of alcohol or drugs;
 - i) any **breakdown** that is caused by or as a result of **vehicle** theft or fire; or
 - j) any claim under this **RAC Breakdown Cover** where the **breakdown** was first reported to us under a different policy.

General conditions

The following conditions apply to all sections of this **RAC Breakdown Cover**. If you do not comply we can refuse cover and/or cancel your **RAC Breakdown Cover**.

1. You must pay your premium.
2. You must request services directly from us, as we will only provide cover if we make arrangements to help you.
3. Where the **breakdown** is caused by a component failure this must stop the **vehicle** from working, so for example an air-conditioning failure in itself does not constitute a **breakdown**, and the illumination of a warning light does not always constitute a **breakdown**. If it does not, you will need to take the **vehicle** to a place of repair and your **RAC Breakdown Cover** will not cover this.
4. We will not cover any claim where the **vehicle** is already at a garage or other place of repair.
5. Where we deem, acting reasonably, that you requested service to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, we will not provide cover.
6. A driver must be with the **vehicle** when we attend.
7. You are responsible at all times for the care of your personal belongings, valuables, luggage and goods in or on a **vehicle**. We will not be responsible for any loss of or damage to them.
8. Where we recover passengers under the age of 16, they must be accompanied by an adult.
9. We will not allow animals in our vehicles, except guide dogs. Any animals can remain in the **vehicle** at the driver's own risk. We will not be liable for any injury to animals, or damage caused by them. We will not transport any livestock. We will not be responsible for any costs relating to animals.
10. The **vehicle** must not carry more passengers than the number stated in the **vehicle's** registration document. Each passenger must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat, where required.
18. If the driver is asked to review and approve a document recording the condition of the **vehicle**, including an electronic form, it is their responsibility to ensure that the record is accurate and complete, and we will not be responsible for any errors or omissions.

Additional benefits

The following are provided at no additional charge:

Driver-induced faults

If the **vehicle** cannot be driven for any reason other than a **breakdown**, for example if the **vehicle** has broken or cracked glass, the **vehicle** keys are broken or lost or there has been a driver-induced fault, **we** will send help to the **vehicle**. If **we** cannot get the **vehicle** going again, **we** will recover the **vehicle**, the **driver** and **passengers** up to 10 miles. Any **specialist equipment** required by **us** to repair or arrange recovery of the **vehicle** will be chargeable. This service is discretionary and **we** will decide whether or not to provide this service.

Caravan and trailers

If a **caravan** or **trailer** **breaks down** within the **UK**, **we** will send help to repair the **caravan** or **trailer** at the roadside. This could be a permanent or temporary repair. **We** will not provide any other cover under this **RAC Breakdown Cover** if a **caravan** or **trailer** **breaks down**. However if a **vehicle** **breaks down** and there is a **caravan** or **trailer** attached to it **we** will recover the **caravan** or **trailer** as well.

Service in the Republic of Ireland

If the **vehicle** has **broken down** in the Republic of Ireland, **we** will provide a Roadside attendance service only, as described under Section A (Roadside). If **your** **home** address is in Northern Ireland and **you** have purchased Section C (Recovery), **we** will recover the **vehicle** to **your** **home**, or to another destination in Northern Ireland if the distance is less.

Urgent message relay

If the **vehicle** has **broken down** and the **driver** needs to get in touch with friends and family urgently, **we** will get a message to them.

Replacement driver

If the **driver** becomes ill during a journey in the **UK** and no one within the party can drive the **vehicle**, **we** may be able to provide a replacement driver. This service is discretionary, and **we** will decide whether or not to provide this service.

Additional services

We can provide additional services that are not included in **your RAC Breakdown Cover** but **we** will charge **you** for these, for example to:

1. Purchase the parts **you** need to get on **your** way;
2. Pay for **specialist equipment** to complete the repairs;
3. Extend the hire time for a replacement car; or
4. Arrange a second or extended recovery.

If **you** need extra help, **we** will agree the costs up front and will need full payment before **we** can help. If **you** took out the **RAC Breakdown Cover**, **you** will be responsible for any additional charges so if **we** help someone under **your RAC Breakdown Cover** and they cannot pay, **we** will invoice **you**. This is why **we** request proof of identity at the **breakdown**.

3. Refuse to provide any services to **you** under this **RAC Breakdown Cover** with immediate effect;
4. Immediately cancel this **RAC Breakdown Cover**; and
